

# The Independent Platform for International Student Insurance

Brochure for Universities and Universities of Applied Sciences

## Who we are & what we stand for

StudySurance is an independent comparison platform for internationally mobile students. We help them find and apply for health, travel, and liability insurance that fits their situation and destination. Fast, clear and fully online.

We believe students should be free to choose what fits them best, not be locked into one-size-fits-all solutions.

Our mission: to empower students with clarity, choice, and confidence for a safe academic journey abroad.

- ✓ Founded by international students with first-hand experience
- ✓ Independent platform, not tied to providers
- ✓ Helping students make confident, informed choices
- ✓ Committed to freedom, transparency, and quality

## Why partners work with us

Students deserve freedom of choice.

You deserve peace of mind knowing they are properly covered.

- ✓ Clear guidance for students
- ✓ Reliable coverage from trusted providers
- ✓ Fewer support questions for your team

Thousands of students from 50+ countries have found the right coverage with StudySurance.

## More than just insurance

Through our Local Lens feature, we provide students with:

- ✓ Emergency contact information
- ✓ Local health system tips
- ✓ Key medical phrases in the local language
- ✓ Cultural guidance for healthcare access

This empowers students to feel safe, confident, and informed, wherever they go.

95% of our users recommend StudySurance to fellow students.

## Partnering is simple

We make it easy for institutions to support their international students:

- ✓ Co-branded landing pages
- ✓ Welcome materials and flyers
- ✓ No technical integration required
- ✓ Easy to add to your student information flow
- ✓ Optional group policies or collectives

## Why partners trust us

Partners trust us because of:

- ✓ We have helped thousands of students worldwide
- ✓ Active presence in 50+ countries
- ✓ Trusted collaborations with leading international insurers
- ✓ Our core values: Transparency, Accessibility, and Quality

## What our partners say

"Thanks to StudySurance, our international students secured the right coverage within a day. For us, that meant fewer questions and more peace of mind." International Office, Partner University.
